

## Install MATLAB

Time required: 15 minutes

MATLAB is a high-level programming language and numerical computing environment commonly used in engineering and scientific applications. It allows for efficient data analysis, visualization, and the implementation of algorithms.

You are licensed to use the full MATLAB suite as part of this class. You can use MATLAB as a web based or application based program.

1. You will receive an email to your wncc.edu email account.
2. This will contain a link to your account.
3. [Sign in to your MathWorks Account](#)
4. You will want to create a good password for your account.
5. To access MATLAB go to: <https://matlab.mathworks.com>
6. You will have the option to Open MATLAB Online or Install MATLAB.

Please let me know if you have any questions.
